

Downdraft Bench

Model DB-800

Compact and ergonomic, intermittent-duty dust collection bench for small parts grinding and finishing processes.

DB-800

- Heavy-gauge welded cabinet and direct drive fan provide long-lasting, dependable service.
- Hinged side-wing panels open to accommodate longer workpieces.
- Quick access to dust drawer provides easy and safe maintenance.
- Built-in fluorescent light illuminates work area.
- Manually-operated shaker makes filter bag cleaning easy.
- Filter changes have never been easier with the EZ Filter Pack™, a one-piece lightweight filter bag pack, that installs without tools and provides a positive pressure seal.
- Helps support OSHA Clean Air Standards.

Downdraft Bench
